

On the Go with AAUW

Would you like to work on an AAUW-related public access cable TV show?

On the Go with AAUW, a project of the Alexandria Branch, is looking for AAUW members who would like to learn how to operate a studio camera or conduct an interview on the show.

On the Go with AAUW is a monthly public access cable TV show produced at Fairfax Public Access (FPA) focusing on issues of interest to AAUW and AAUW members – education, community, the arts, women's issues, and international affairs. We meet the needs of the community by featuring local individuals and organizations that contribute to the community in these areas.

Our main goals are to:

- Bring visibility to AAUW and its issues
- Give AAUW members and other women an opportunity to learn and practice communication skills as guests and hosts on the show or as crew members helping to produce the show
- Inform, educate, and entertain our audience

On the Go with AAUW is shown on Channel 10, a public access channel in Fairfax County. Each month our show is aired three times:

- 2nd Sunday of the month at 4:00 PM
- 2nd Thursday at 9:30 PM
- 2nd Monday at 12:30 AM

Channel 10 is carried by Comcast in Reston; Cox Communications in Falls Church and Fairfax County; and Verizon FIOS in west Arlington County, Falls Church, Fairfax County, Loudoun County, Leesburg, Prince William County, Stafford County, and Fredericksburg.

Alexandria Branch member Martha Mendenhall started the show in 1991, and we are one of the longest running shows at FPA. If you are interested and would like to observe how a show is taped, **contact Alexandria Branch member Ruth Bennett at rmbenet@aol.com** .

Here's a list of On the Go Shows since we started producing them in 1991. For shows available on YouTube, go to [YouTube](#) and search for our shows using the search box. You can also become a subscriber and automatically be notified when a new show is put on YouTube.

Hope you will come out and help us – we learn a lot and have a lot of fun!
